

The HP120

GRAND PRIX

The Original

The Grand Prix™ transformed the automotive detailing industry. It was the first heated carpet extractor to feature a single power cord. Doesn't sound like much? Before the Grand Prix™ using a pump, vacuum and heater required two power cords. This made it hard to find an appropriate power source. But with the engineering ingenuity at Mytee®, this trailblazer changed all that. Or so the saying goes... the rest is history.

Features:

- 10 gallon capacity.
- 1,200 watt in-line heater.
- Powerful 3-stage vacuum. 130" water lift, 100 CFM.
- 120 PSI diaphragm pump.

Included Items:

- 15ft. 1.25" vacuum and internal solution hose.
- 4" Air Lite™ upholstery tool.
- Heatguard™ hose wrap, made of neoprene wetsuit material.

Includes the easy to use 8400P Air Lite™ Upholstery Tool.

The HP120 Grand Prix™ features 10" foam-filled wheels.

The Grand Prix™ was the first automotive detailing machine to be powered on just one cord!
